

# How To Stay Motivated When Learning to Code

## Video

<https://youtu.be/44en4a5fPZw?si=-lrJYFH04oUaI-1j>

## Notes

- Have a goal to work towards
  - What am I trying to achieve?
  - Why am I learning to code?
  - What am I going to do to achieve this?
- Structure your learning
  - Create a road map or curriculum to follow day-by-day
- Join a community
- Work on fun projects
  - Even if it is just one day every week or two, work on a fun project
- Do not compare yourself to others
  - Everyone learns at a different pace
  - It is a challenging field
  - Compare yourself to yourself yesterday
